## INGENIUM Educational Lab

### **Educational Labs (Educational Lab)- Collaboration opportunities for the development of innovative teaching methodologies**

INGENIUM invites you to participate in the Educational Labs and gives you the opportunity to collaborate with colleagues from other INGENIUM universities and fund your idea.

The Educational Lab is an experimental, decentralized teaching and learning network that leverages the diverse expertise, educational spaces and facilities of all INGENIUM European Universities. It brings together experts from different fields to address common challenges faced by educators and society.

If you are teaching staff, experts in education, teaching or RDI, you can submit your proposals for joint educational lab projects through the [Educational Lab Submission Platform](#).

Deadline for submission of proposals until **1 June 2025**

See the announcement on the [UoC site](#)
