

CURRICULUM VITAE

Ioanna Tsiligianni

**Professor of General Practice and Public Health
(University of Crete, UoC, Greece),**

MD, General Practitioner

PhD (University of Crete, UoC, Greece),

**PhD (University of Groningen, UMCG, The
Netherlands),**

MPH/HCM (University of Crete, UoC, Greece)

HERAKLION, DECEMBER 2025

**CAREER SUMMARY (1992-2020)****A. STUDIES****A.1. STUDIES: MEDICAL DEGREE (UOC)/PHDS (UOC-UMCG)/MPH/HCM (UOC)****Medical degree**

1997: Studied Medicine at the University of Crete, Faculty of Medicine. Graduated in 1997 (grade 7.97 out of 10).

First Ph.D. university of Crete

2003: Obtained **first Ph.D.** from the Medical School of the University of Crete. *Thesis title:* Comparison of induced sputum and bronchoalveolar lavage fluid in patients with sarcoidosis. Defended my PhD thesis in July 2003 and received an '**excellent**' grade. Supervisor: Professor Demosthenes Bouros.

Master University of Crete

2007: Master (MPH/HCM). Public Health & Health Care Management (MPH/HCM), of the University of Crete. A course of 15 months. **Direction; Public Health.** Grade: (8.6 out of 10), '**excellent**'. *Title of master thesis:* Home storage and drugs abuse in rural areas in Crete. June 2007. Supervisor: Professor Christos Lionis.

Second PhD UMCG

2013: Second PhD in the department of general practice, University Medical Centre of Groningen (UMCG), The Netherlands (defense date 30-1-2013). *Thesis title:* Measurement of health status in COPD in daily clinical practice. Promotor: Professor Thys van der Molen.

Specialty - Other trainee**2002 SPECIALIZATION**

Family medicine specialization in the University Hospital in Heraklion, Crete, Greece.

Sub-specialization

2006-2007: Six months training in smoking cessation techniques. Pulmonology Department, University hospital of Heraklion, Crete.

Other Training

- 2000:** A **one-year educational project** on 'Emergency prehospital and hospital medicine'. Total duration of 300 hours. The program was implemented in 2000 by the vocational training center K.E.K.- PE.PA.G.N.I. with co-financing from the European Social Fund and the Ministry of Health.
-
- 2005-2006:** 11th **Postgraduate program (one year)** 'Emergency Pre-hospital Medical Ambulance'. Total duration of 410 hours. Certificate number of successfully examined by Ministry of Health: 1011.
-

B. CLINICAL WORK

Worked as doctor in the Health Care Center of Kasteli from 1997-1998 (obligatory service in rural areas). Trained from 1999 to 2002, in general practice/family medicine in the University Hospital of Heraklion, Crete, Greece. Worked as a senior registrar in a rural area (Asites, Agia Barbara Health Care Center) (2003-2017). I resigned from this position so to take the academic position in the University of Crete. Since 2017 I have clinical duties at the Accademic Unit of the Clinic of Social and Family Medicine and at the University Hospital. I also coordinate the training of 20 GPs therefore time is spent in teaching at the same time of the clinical duties.

B.1. In the Health System

- 1997-1998:** Kastelli Health Care Centre.
-
- 1999-2002:** **Specialty** in General / Family Medicine, University Hospital of Heraklion, Crete.
-
- 2003-2017:** Asites, Agia Varvara Health Centre, Heraklion, Crete.
-
- 2017-2025:** Since October 2017 I have been the **director of the Health Services Planning Laboratory** and since March 2021, I have been the **deputy director of the Public Health Sector**.
-
- 2017-2025:** **Assistant Professor and consequently associate professor and professor at the University of Crete Medical School**. I am a member of the Department of Social and Family Medicine.
-
- 2022-2025:** From January 2022 I am the **Director of the Public Health Sector** (PAGNI)
-

and **Director of the Clinic of Social and Family Medicine.**

B.2. University Positions

- | | |
|-------------------|--|
| 2009-2010: | Clinical lecturer at the Groningen University Medical School UMCG , Department of General Medicine, in the Netherlands. Until today member of the research team (GRIAC). |
| 2014-2016: | Position due to participation in a MPH as Assistant Professor at the University of Nicosia in the postgraduate course of Family Medicine. |
| 2017-2021: | Since 5-10-2017 ("Assistant Professor"- 978/04-10-2017) I have been performing my clinical duties at the Academic Unit of the Department of Social and Family Medicine and also at the University Hospital in the field of Public Health . Since March 2021, I have been the deputy director of the Public Health Sector . |
| 2021: | Elected as Associate Professor of General Practice and Public Health 30-7-2021, protocol number 14791. |
| 2022: | Appointed as the Director of the "Clinic of Social Family Medicine" of the Department of Social Medicine of the Faculty of Medicine 12-10-2022, no. general protocol 24596/509. |
| 2023: | Appointment as Director of the Postgraduate Studies Programme of the Department of Social Medicine of the Faculty of Medicine. |
| 2024: | <ul style="list-style-type: none">• Visiting faculty appointment in the Department of Primary Care and Population Health at the rank of Professor. Department of Primary Care and Population Health at the University of Nicosia Medical School.• Director of the "Society and Health" laboratory• Director of the Public Health Sector/PAGNI |
| 2025 | Election as Professor of General Medicine and Public Health 15-7-2025, Γ' 3700/2024, announcement "APELLA" ARP 44100. (Ref. No. G.D.O.Y./Ministry of Education, Religious Affairs, and Athletics: 4441/3.7.2025) |
-

C. RESEARCH WORK

Research interests: General Medicine, Public Health, and Primary Health Care topics, with special emphasis on chronic non-communicable respiratory diseases mainly COPD and asthma, allergic rhinitis. Specific examples include actions for the creation-evaluation of prevention strategies, management of risk factors and outcomes, quality of life, multimorbidity, cancer, especially lung cancer, etc. In this context, epidemiological and clinical studies in General / Family Medicine and Public Health are conducted in the Department of Social Medicine in collaboration with international organizations such as **EUPHA, EFPC, WHO-GARD, EAACI, IPCRG, ARIA, etc.**

C.1. Research Projects

Participation with different roles in many research activities e.g., COST, Horizon 2020, FP7, NSRF, IPCRG etc. (> 30 research projects). I was coordinator of the first national guidelines on COPD and asthma.

Through IPCRG I participated in the design-supervision of international projects in collaboration with academic institutions abroad available [here](#).

Since my election until today I have been scientific leader and coordinator of 16 research - educational projects. One research project from the European Public Health Alliance (EPHA) and one from the Netherlands Institute of General Practice (GPRI). In a COST ENABLE project involving 42 countries on "Drug Compliance" I was elected on 21-10-2020 as vice-president.

D. PUBLISHED WORK - ANNOUNCEMENTS.

D.1. Chapters in Books-Manuals

1. Contributed to the writing of the "COPD Care Foresight Study Report Review." Available [here](#)
 2. Participation in the writing of "The World Book of Family Medicine - WONCA Europe Edition 2020". Available [here](#)
 3. I participated in the Greek edition and editing of the book "Basic Principles of General Medicine." Philip Sloane, et al. ISBN: 978-960-399-700-9. 2008. Edited by Paschalidis.
 4. I participated in the writing and subsequently edited and translated the "logbook of
-

- general practitioners (ELEGIA)".
5. Contribution to the editing of the book "Aschengrau Ann, Seage George Essentials of epidemiology in public health 4e", for the 2024-2025 editing project, currently in press.
 6. Supporting textbooks (with a peer-reviewed system and editorial management) [here](#) and also training programmes with supporting videos, in collaboration with Medscape and also as Massive Open Online Courses (MOOC)-IPCRG [here](#)

E. TEACHING-RESPONSIBILITY OF COURSES AT UNDERGRADUATE LEVEL

E.1. Undergraduate Teaching

2007-2017: **Before my election**, I participated in teaching the course of 'Epidemiology - Public Health' and in the training of students in my clinic in Asites within the framework of the Clinical Practice of P.H.C.

2017-2024: **Since my election and afterwards: Teaching and course responsibilities.**

Teaching in the Faculty of Medicine, University of Crete at several courses:

- **Society and Health** (responsible of this module since 2017). Taking in consideration the needs of the students and of the School I refreshed and renamed the 'Society and Health' to 'Introduction to Public Health' so to also meet International Curriculums (first academic year 2020-2021). In this course I also gave several lectures with themes like: Prevention, Health promotion, the role of primary care, inequalities in health, public health inequalities and priorities, interdisciplinary care, communicable non-communicable diseases and occupational and environmental health.

- **Epidemiology-Public Health** (basic and advanced) to undergraduate students since 2009, co - responsible of the course for years 2017-2020) responsible of the course (2022-2024)2023. In this course I gave several lectures like: Epidemiological evidence, registries, prevention, screening, cohort studies, clinical trials, prognostic studies e.t.c.

- I also teach in the following courses a. **Nutrition**, b. **Evidence Based Medicine**, c. **Compassionate Care**, d. **Patient-centred care**, e. **pathophysiology**

- **Clinical Exercise in Primary Health Care**. Teaching since 2009 (I was responsible and hosted students in the rural practice I was serving). Since my election in the University, I was co-responsible for the years 2017-2020, and responsible since then. I teach till now different concepts. We train approximately 15-20 students every month

E.2 Postgraduate Teaching

2010-2017: Before my election I was involved in the teaching of the master in Public Health & Health Services Management (PHS/MH) since 2010 in the field of epidemiology of chronic diseases.

2018-2024: Participation as a member of the Steering Committee from 2018 to date.

2022-2024: **Director of the Postgraduate Programme in Public Health / Primary Public Health / Health Services.**

1. **Responsible for the course** MPH 101, ECTS: 4. Introduction to Public Health since 2017.

2. **Responsible for the course** MPH-105 ECTS: 6. Health Services Organization since 2018.

3. **Co-responsible** with Professor Lionis for MPH-102, ECTS: 6. Epidemiology 2017-2018.

4. **Co-responsible** with Prof. Tzanakis MPH-202 ECTS: 10. Epidemiology II. Responsible for the course for the academic years 2018-2024.

5. **Responsible** for MPH-204: ECTS: 5. Special Topics in Epidemiology/Health Services for the academic years 2017-2025.

Within the above courses I give different lectures depending on the content of each course. In addition, as mentioned above I also participate in the Cyprus Family Medicine master.

- Lectures in the Postgraduate Program "Primary Health Care: Social Medicine and Pharmaceutical Care." Democritus University of Thrace, Department of Medicine.

Supervision at postgraduate level

- A. Supervisor of a **postdoctoral student** (completed on 24 June 2020), 10-month funded research, University of Crete Medical School.
- B. **Supervisor in 10 (one completed) and co-supervisor in 6 PhD theses** at the University of Crete Medical School (3 in progress). the three of which I was co-supervisor was **successfully completed**.
- C. **Supervisor of 54 postgraduate theses (53 completed** and the remaining 1 in progress) of the Master's programme in Public Health/Primary Health Care/Health Services Management. **Co-supervised 32 postgraduate theses (31 completed)** 29 from the Master's degree in Public Health, 3 from the Master's degree in 'Vaccines and Infection Prevention'.
- D. **Co-supervisor of 2** completed postgraduate theses at the **University of Groningen** (The Netherlands).
- E. **Co-supervised 1** postgraduate thesis at the University of **Manchester** (completed).
- F. **Co-supervisor in 1** postgraduate thesis at the **Aristotle University of Thessaloniki** (in progress).
- G. **Member of 24 Doctoral Thesis Evaluation Committees** of the Medical School of the University of Crete and of **123 Graduate Student Evaluation Committees** (I was present/ and all have been completed).

E.3 Lifelong Education and Training

IPCRG

The IPCRG (International Primary Care Respiratory Group) is an international organisation with a primary mission to conduct and promote research/education in respiratory diseases in primary care. www.ipcrg.org

My participation in educational programs since 2010. Since August 2020 I was on the Board of Directors and responsible for overseeing the IPCRG educational programs (10-20 international educational activities per year). Involvement in the 'Teach the Teacher' training programme which has been conducted in several countries, e-learning programmes: Massive Open Online Course (MOOC) RESPIRE (in collaboration with the University of Edinburgh-funded NIHR) in North Asia, E-Quality, and Asthma Right Care which is also a social movement. Participation in ICE project (IPCRG COVID Evidence): IPCRG practice driven answers on COVID-19 and respiratory questions, aiming to educate on the most frequently asked questions by PHC physicians regarding COVID-19. Available: [here](#)

MEDSCAPE-WEBINARS

Medscape webinar presentation on 3 February 2022 entitled: Greek Exp Comm on COVID-19 Vaccine Hesitancy.

Collaborations with Medscape (2019-2020) where I had a role either as chair-coordinator of the training or as a trainer. I coordinated and chaired the 'Clinical Advances in Key Issues in the Diagnosis, Referral, and Therapy of Severe Asthma' course - activities. This activity was the result of a collaboration between Medscape, IPCRG, AZ, and World Allergy Organisation. It included case discussion with the help of actors, CME continuing education credits were given and was available in several languages where the content was modified accordingly to be in line with the respective National Guidelines. More details and the training programme are

available here: <https://www.ipcrg.org/key-issues-in-the-diagnosis-referral-and-therapy-of-severe-asthma>.

I also participated in a second Medscape activity (2019) involving Expert Interviews, entitled "COPD: Patient selection based on GOLD guidelines and treatment approach" (link: [here](#)).

Since the beginning of the COVID-19 pandemic, I participated in different activities and modules via tele-education. Some examples are:

Coordination of General/Family Medicine specialty

Since 2014, until today, I have been coordinating the training and practice of the specialty of General/Family Medicine of 20 residents, which involves clinical-training work in PAGNI (University Hospital) and other P.H.Cs.

F. Administrative work - Participation in committees

F.1. Faculty of Medicine, Member of the following Committees:

1. **Chair of the Committee for Equal Access for Persons with Disabilities and Persons with Special Educational Needs** of the University of Crete, in accordance with amendment no. 347/14.03.2024, Administrative Issues 5th (A.D.A.: 62NI469B7G-B74) decision of the Rector's Council of the University of Crete.
2. **Regular member of the Gender Equality Committee of the University of Crete** in 2021-2023.
3. **Member of the Research Ethics and Deontology Committee (E.H.D.E.) of the University of Crete** 2021-2023.
4. Coordinator of the students Committee of the Faculty of Medicine, academic year 2024-2025, 2025-2026.
5. Coordinator of the Social Intervention - Volunteering Committee of the Faculty of Medicine, academic year 2023-2024, member for 2021-2022. Deputy coordinator

-
- for 2022-2023.
-
6. Associate Coordinator of the School of Medicine's National Health System Liaison Committee, academic year 2023-2024.
-
7. Member of the Committee for the forty (40) years of the Medical School of the University of Crete, academic year 2023-2024.
-
8. Member of the International Relations Sub-Committee - Erasmus Summer School of the Faculty of Medicine, academic years 2021-2022, 2023-2024.
-
9. Deputy Coordinator of the Committee for Outreach - Ethics - Public Relations of the School of Medicine, academic year 2022-2023.
-
10. Deputy coordinator of the Medical Student-Alumni Liaison Committee. Member of the School of Medicine Summer School Sub-Committee, academic year 2021-2022.
-
11. Member of the Undergraduate Studies Committee. Subcommittee on Student Affairs, School of Medicine, academic year 2021-2022.
-
12. Member of the Medical Support and Student Affairs Committee of the Faculty of Medicine, academic year 2020-2021, 2023-2024
-
13. Member of the Medical Liaison Committee - Graduate Office, School of Medicine, academic year 2020-2021, 2021-2022.
-
14. Member of the Academic (Educational and Research) Liaison Committee with Academic and Research Institutions of Greece and abroad and Faculties of the University of Crete, academic year 2020-2021, 2021-2022, 2023-2024.
-
15. Deputy coordinator of the Internal Evaluation Committee (IAC) for the accreditation and evaluation of the School of Medicine, academic years 2018-2019, 2019-2020 member for 2020-2021, 2021-2022.
-
16. Member of the Postgraduate Studies Committee of the Faculty of Medicine, academic years from 2018 till today.
-
17. Member of the Coordinating Committee of the postgraduate program in Public Health/Primary Health Care/Health Services, Faculty of Medicine, academic years 2018 till today.
-

F.2 Participation in Ministry 's Committees

1. Education Coordinator for the specialty of Public Health - Social Medicine of the Department of Medicine of the University of Crete according to No. Prot. 11216 of the Ministry of Health regarding the "Appointment of training coordinators and trainers for the specialty of Public Health - Social Medicine".
2. Alternate member of the Examination Committee of General and Family Medicine according to No. Prot.G5a/G.P.οικ. 52908 of the Ministry of Health regarding the "Composition and appointment of members of the Examination Committees of Medical and Dental Specialties based in Athens with the system of national examinations".
3. President of the Commission 'Implementation of the compulsory measure of screening for coronavirus COVID-19 in public sector employees performing work with physical presence at the place of work'.
4. Alternate Member and Vice-Chairman of the Commission 'On the exemption from the obligation to carry out a diagnostic test for coronavirus, COVID-19, against payment of a fee', for the assessment of requests from private sector workers for exemption from the obligation to carry out a diagnostic test for coronavirus, COVID-19, against payment of a fee.
5. Participation in the Subcommittee on Family Medicine, Interministerial Committee of the Ministry of Health and the Ministry of Education, academic year 2018-2019.

G. RECOGNITIONS

G.1. Participation in international organisations

IPCRG

The IPCRG (International Primary Care Respiratory Group) is an international organisation with a primary mission to conduct and promote research into the care, treatment and prevention of respiratory diseases and tobacco dependence in the

community. It has a network of over 150,000 primary health care professionals, 34 member countries and over 80 countries participate in its global conferences. We are an organization in partnership with the following international organizations.

Since 2010 until today I have been on the board of directors where I have held several important positions:

2021-2024:	Head of the COPD Right Care program launched by the IPCRG in 2021, which follows the principles of the successful Asthma Right Care initiative.
2020-2023:	From June 2020 and after completing a successful term as president I took over as Director in charge of education.
2018-2020:	The culmination of my career where I was elected from 34 countries and served as President of the organisation with overall responsibility for its operations.
2009-2018:	Director with responsibility for overseeing research.
2008-2010:	Head of Research for Southeastern Europe.
2008-until today	I am national representative and chair of the Greek committee of the IPCRG (GPCRG) (Greek Primary Care Respiratory Group).

International recognitions

1. **Top 2% Scientists Worldwide 2023 and 2025** by Stanford University. Stanford University has recently released an update of the list that represents the top 2 percent of the most-cited scientists in various disciplines. The report was prepared by a team of experts led by Prof. John Ioannidis, the eminent Professor at the Stanford University. The selection is based on the **top 100,000 scientists** by c-score (with and without self-citations) or a percentile rank of 2% or above in the sub-field. Is an assessment of these indicators for over **8 million scientists** worldwide, and lists scientists whose published research has accelerated progress in their respective fields and influenced the development of other researchers' work.
2. Member of the scientific team of the **World Health Organization (WHO)** for the development of guidelines for the diagnosis and management of chronic obstructive pulmonary disease.
3. Member of the Executive Board of **WONCA Europe** - 6-year term, 3 years as pre-

elected president and another 3 years as **President** for the period 2027-30

G.2. Participation in other international organisations

In addition, I am an active member of the following international organisations:
WONCA Rural Board (executive committee), WONCA membership committee, EUPHA, EFPC, WHO-GARD, GACD, EURIPA, ERS, WONCA working group on research, WONCA on mental disorders, WONCA on quality and safety, ELEGeIA, GRIAC, Hellenic Oncology Research Group, ERS working group on frailty, etc.

Review/international advisory committees for research projects

I have also participated in the review of research projects of international organisations and academic institutions such as ERS, University of Birmingham, and international advisory committees.

G.3. Participation in editorial boards of scientific journals

I am **Editor in Chief of NPJ PCRM** (Nature partner journals Primary Care Respiratory Medicine) since 2019 (q1 in primary care and respiratory medicine). Position which I obtained after a competitive process of CV submission and interview.

From 2014-2019 I was associate editor of PCRJ and assistant editor of BMC Family Medicine 2015-2018.

I am a member of the **Respiratory Journal Editors (RJE)**, a group of high-impact journals on respiratory diseases, with the aim of collaborating, reviewing, and improving all journals related to respiratory diseases.

G.4. Acting as a reviewer of conference articles and abstracts

Reviewer in 25 pubmed journals, reviewer of abstracts in 44 international conferences.

I was responsible for the IPCRG Respiratory At@Glance service (available here: <https://www.ipcrg.org>), aimed at presenting monthly the most important publications on respiratory issues in primary care >**70 issues**.

G.5. Participation in Conferences

2024	I chaired the Scientific/Organising Committee of the World Congress held in Athens in May 2024. In this context I took all the initiatives required for the management and implementation of the scientific programme.
2014:	Chairing the Scientific/Organizing Committee of the World Congress held in Athens in May 2014, 60 international speakers, > 1000 participants from 50 countries.
2014-2018:	Member of the team responsible for the budget, as well as the promotion of IPCRG conferences .
2017:	Chairing the Scientific/Organizing Committee of the 5th IPCRG Scientific Meeting held in Ljubljana, Slovenia in May 2017.
My contribution to international conferences includes participation as a member of scientific/organizing committees of conferences at international (31 of which I chaired 4) and national level (11). I chaired round tables at international (28) and national conferences (10). Reviewer of abstracts in international conferences with 44 invitations.	
I participated as a speaker in 95 international and 132 national conferences. I gave keynote speeches as an invited speaker at 3 international conferences. Participated in 5 summer schools.	

AWARDS – LAUDATION - VOLUNTARISM

I have received **20** awards at international (3) and national level (17) and a commendation from the Ministry of Health for providing voluntary health services in remote Greek islands (2002).

Summary of Distinctions

1. Member of the Executive Board of **WONCA Europe** - 6-year term, 3 years as pre-elected president and another 3 years as **President for the period 2027-30**.
2. Member of the scientific team of the **World Health Organization (WHO)** for the **development of guidelines for COPD**.
3. I **chaired** the Scientific/Organising Committee of the World Congress held in Athens in May 2024. In this context I took all the initiatives required for the management and implementation of the scientific programme.
4. **Top 2% Scientists Worldwide for 2023 and 2025** by Stanford University.
5. Participation in the Board (with different responsibilities over the last decade) at the IPCRG and my election from 34 countries to the position of President (2018-2020).
6. Participation in 31 Scientific-Organizing Committees of conferences (14 at national level and 17 at international level).
7. Participation in important international organisations e.g., EUPHA, EFPC, IPCRG, WHO-GARD, EURIPA, ERS, WONCA Rural, WONCA quality and safety, GRIAC, etc.
8. Editor in Chief in NPJ PCRM (Nature partner journals Primary Care Respiratory Medicine) since 2019.
9. **Chairman** of the scientific and organizing committee of the 7th IPCRG World Congress >1000 participants in 2014, and the 5th IPCRG World Research Meeting >300 participants in 2017.
10. Keynote speeches in China (National Congress of Respiratory Diseases); Abu Dhabi conference (FIP-Federation International Pharmacists).
11. 20 Awards (3 international and 17 national).
